MARK THE DATE

01
JUN

ICMART Science Award in Acupuncture and Related Techniques

This is the main award of ICMART, which will be presented at each ICMART congress. It recognizes an outstanding scientific contribution in the field of acupuncture, TCM and related techniques. Submission requires innovative and excellent scientific projects either in basic research or in clinical research.

Deadline for submission is June 01, 2018.

15
JUN

ICMART-3B Young Scientists Travel Award

To encourage young researchers of promise on whom the progress in the field of acupuncture, TCM and related techniques depends. It recognizes 4 science projects addressing any topic related to acupuncture, TCM or related techniques – whether it is etiology, pathophysiology, diagnosis or therapy of symptoms or diseases.

Deadline for submission extended till June 15, 2018.

15
JUN

DÄGfA Poster Award

The German Medical Acupuncture Association (DÄGfA) grants awards for the best two posters presented at the congress. All posters accepted for presentation by the scientific committee of the congress will take part in the competition. Poster awards will be presented at the closing ceremony.

Deadline for submission is June 15, 2018.

You are invited to contribute to the multifaceted program!

ICMART-iSAMS 2018 provides space for oral presentations and posters on a diversity of topics – from clinical expertise and latest research results to political commitment in the field of acupuncture and TCM.

Experienced a fascinating clinical case? Present it at one of the Clinical Breakfasts (short video possible)!

Just got late-breaking science news? Discuss them at one of the Research Breakfasts!

... and moreover

Center your mind during Qi Gong and meditation sessions in the morning.

End the congress on Sunday afternoon with relaxing music together with your new and old friends, exchange the last business cards and pin down the next steps of your future collaborations.
